ADAM SMITH: THE MAN AND HIS WORKS (PAPERBACK)

[DOWNLOAD PDF](#)

Liberty Fund Inc, United States, 1977. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Adam Smith s political economy, as we shall endeavor to show, has meaning for all times, and indeed in many ways even the modern era has not yet caught up with it. -E. G. West, in his Prefatory Note.Adam Smith, author of The Wealth of Nations, was no dry pedant. His lectures and writings are alive with examples taken from the busy eighteenth-century world around him, and Edmund Burke praised his literary style as rather painting than writing. It was Adam Smith who taught moral philosophy and literary criticism to Boswell at the University of Glasgow, and in Smith s works we follow his interests from political history to law, sociology, economic and social history, philosophy, and English literature. E. G. West brings to life Adam Smith s first years in the bustling Scottish seaport of Kirkcaldy (and recounts Smith s brief kidnapping, as a baby, by gypsies). We follow young Smith as a student, watch his thought develop as Professor of Moral Philosophy at Glasgow, and enjoy with him the hospitality of David Hume, the Parisian literary salons, Johnson, Burke, Gibbon, and other giants of the era. West gives us a masterful summary of The Wealth of Nations. Even more significant, West restores to eminence an earlier work of Smith s, The Theory of Moral Sentiments. If The Wealth of Nations had never been written, he asserts, this previous work would have earned for him a prominent place in intellectual history. West takes particular delight in using The Theory of Moral Sentiments to rebut Marx s assumptions about laissez-faire capitalism. E. G. West was educated at the University College of Exeter, graduating in economics in 1948. He has taught...
