MARITAL SEPARATION AND LETHAL DOMESTIC VIOLENCE

Paperback. Book Condition: New. Not Signed; This book is the first to investigate the effects of participation in separation or divorce proceedings on femicide (murder of a female), femicide-suicide, homicide, and suicide. Because separation is one of the most significant predictors of domestic violence, this book is exclusively devoted to theorizing, researching, and preventing lethal domestic violence or other assaults triggered by marital separation. The authors provide evidence supporting the use of an estrangement-specific risk assessment and estrangement-focused public education...

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
