The Fourth Law (Paperback)

By Clayton Barnett

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In 2026, 23 year-old apprentice nurse Lily Barrett lives in a shattered time. Following its economic collapse, the US has devolved into a group of a few barely-functional smaller states, and vast swathes of barbarian badlands. Her sister has been missing for years, and her father, after earning the opprobrium of most of the world for running a state terror organization, presumed dead. Two things keep her going: her live-in job at a small, Catholic orphanage in the city of Waxahachie, Republic of Texas, and Ai, her odd, but dear friend, whom she met online: a young woman who only shows herself to Lily as a rendered CG image. Troubled by her past, haunted by her name, and facing an uncertain future, Lily seeks only a quiet, normal life. But, that past and her present conspire against her. A new Morning has come, and with it, delights and terrors, happiness and adversity. Where do we come from? What are we? Where are we going?.

Reviews

It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.

-- **Gerardo Bauch PhD**

This book might be worthy of a go through, and a lot better than other. it had been writtern really properly and helpful. You may like just how the author write this publication.
