

## The Takers Book One of the Oz Chronicles

By R. W. Ridley

Paperback. Book Condition: New. Paperback. 229 pages. The first volume in The Oz Chronicles recalls both Stephen Kings The Stand and L. Frank Baums The Wizard of Oz. When 13-year-old Osmond Oz Griffith wakes from an illness on the floor of his closet, he discovers the world overrun by man-eating monsters, the Takers, and its largely his fault. In an effort to make things right, he gathers a band of survivors (a baby, an aged mechanic and a talking gorilla, among others), and sets off down his version of the yellow brick road, leading to the Atlanta Zoo. Along the way, he learns that his destiny was written by Steve, a boy from his past. Afflicted with Down Syndrome, Steve created new worlds, replete with battles between good and evil, in the comic books that served as his sole refuge from the teasing of Oz and his friends. Steves untimely suicide leaves only the comic books as clues to vanquishing the Takers. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
