Many pastors would never think of allowing anyone non-eloquent speak behind their pulpit and we thank them, However too often these and other churches forget that the announcement presenter or the praise and worship leader or in some denominations the those that lead in lengthy prayers etc, have no business opening their mouths. There are just some things that need not come out of the mouths of Christs people. Especially those who stand before the masses and share from the Lord if you have the ability to hear from the Lord, then you must have the ability to hear the Lords correct grammatically correct word! So join me and lets have some fun as we delve into right and wrong way we use the English language in the church today. This item ships from La Vergne, TN. Paperback.
