The futuristic dystopian world falls into chaos as the faction-based society breaks apart. Emotions run wild as Tris and Tobias discover a new world outside the fence. Each chapter in Allegiant features first-person narratives from the alternating perspectives of Tris and Tobias. This tactic offers a fresh outlook on this fictional world. Allegiant urges readers to question their thoughts on sacrifice and the importance of individuality in society. The main characters, Tris and Tobias, face many challenges as they uncover the genetic foundation of the dystopian world.
