Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.11-year old Ralph Lopez is just like any other ordinary kid. He thinks school is lame, he likes to hang out with his friends, he has a crush on the cutest girl in school, and, oh yeah, he's a mad scientist! (Oh wait, I guess that defeats the ordinary kid argument.) Anyway, this story is about a science experiment gone terribly, terribly wrong. All little Ralph Lopez wanted to do was win his school's science fair by turning human waste into fuel. But when he steals some of his scientist father's top-secret mutagen and pours it onto the waste, he inadvertently creates a monster. a Turd Monster! The Turd Monster goes on a wild rampage through the streets of Washington, D.C., destroying the Capitol, the Lincoln Memorial, and even the White House. Ralph and his pals must use all the tools at their disposal to take down the Turd Monster before he turns the nation's capital into a giant toilet. (Oh wait, the capitol is already a toilet? Nevermind.).
