HarperCollins Publishers, United Kingdom, 2010. Paperback. Book Condition: New. 188 x 128 mm. Language: English . Brand New Book. I asked the sailor what an Elephant looked like; he replied that it was like nothing on earth. In the middle of the 18th century, a ship docks at Bristol with an extraordinary cargo: two young elephants. Bought by a wealthy landowner, they are taken to his estate in the English countryside. A stable boy, Tom Page, is given the task of caring for them. The Elephant Keeper is Tom s account of his life with the elephants. As the years pass, and as they journey across England, his relationship with the female elephant deepens in a startling manner. Along the way they meet incredulity, distrust and tragedy, and it is only their understanding of each other that keeps them together. Christopher Nicholson s charming and captivating novel explores notions of sexuality and violence, freedom and captivity, and the nature of story-telling - but most of all it is the study of a profound and remarkable love between an elephant and a human being.
