If you're looking for insights that deepen over time or kernels of truth you won't forget, this is the book for you. Like the book says, Come to the table, The one set for two. Open to the moment. You needn't prepare. Your special guest is the Presence we share. Fawn Moran has managed to distill so much wisdom into phrases that open doors that we thought were closed. Reading her words, or better still, reading them out loud, brings a resonance in the heart that remains. The distillation has clearly come from many hours of plumbing her own depths. This is not a collection of ideas-it's a collection of Truth revealed. Try it. You might end up becoming what you were seeking. Mary-Margaret Moore, Spiritual teacher, workshop leader, counselor and author of the Bartholomew books.
