Minotaur. 1 Paperback(s), 2013. soft. Book Condition: New. In this seventh book of Charles Finch's wonderfully evocative, Agatha and Nero Awardnominated series in Victorian London (following *A Death in the Small Hours*), former gentleman investigator Charles Lenox finds his new responsibilities as a Member of Parliament leave him with time enough to help out a former protégé. But when Lenox's cryptic encounter with his friend's client seems to lead, days later, to the murder of a country squire, this "fast favor" draws Lenox inexorably back into his old profession. And this body is only the first step in a cruel plan, years in the plotting, which may strike at the heart of England's monarchy."When his former colleague and protégé, John Dallington, is ill and asks his help in meeting a prospective client in distress, Lenox is happy to oblige. The client is a secretary to Queen Victoria, who's being blackmailed for her less-than-reputable past, and the case turns into one based on long-festeri

ng revenge. The seventh in this series proceeds at a leisurely pace suitable to 1875 London, dealing with betrayal in both the case at hand and in parliamentary politics. But Lenox's instincts as a sleuth are keen and his wit is sharp as he handles adversity in an eminently satisfactory fashion. A fine addition to this impressive series."Booklist 294.
