

Broker, Trader, Lawyer, Spy: The Secret World of Corporate Espionage (Paperback)

By Eamon Javers

HarperCollins Publishers Inc, United States, 2011. Paperback. Book Condition: New. Reprint. 202 x 134 mm. Language: English . Brand New Book. In this penetrating work of investigative and historical journalism, Eamon Javers explores the dangerous and combustible power spies hold over international business. Intelligence companies and the spies they employ are setting up fake Web sites to elicit information, trailing individuals and mirroring travel itineraries, Dumpster-diving in household and corporate trash, using ultra sophisticated satellite surveillance to spy on facilities, acting as impostors to take jobs within companies or to gain access to corporations, concocting elaborate schemes of fraud and deceit, and hacking e-mail and secure computer networks. The work of this industry can be ingenious, but it also raises crucial moral and legal questions in a world where global conflicts are as likely to be corporation versus corporation as they are to be nation versus nation. This globalized industry is not a recent phenomenon, but rather a continuation of a fascinating history. The story begins with Allan Pinkerton, the nation's first true private eye, and extends through the annals of a rich history that includes tycoons and playboys, presidents and FBI operatives, CEOs and accountants, Cold War veterans...
