The Progressive's Pocketbook of Persuasion: A Toolkit for Reaching American Voters (Paperback)

By Courtney Dillard

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.November 2nd, 2004- 11: 45 PM PST: We lost. There were no WMDs, the budget surplus was replaced by the largest deficit the country had ever seen, the economy was unstable with jobs being shipped overseas, and the Republican candidate was vulnerable to critique on many fronts. But we lost. As the shock of our failure wears off and Democrats attempt to chart a bold new direction, we need to be brave enough to assess why we lost and strong enough to accept the answer. In the end, we lost because we couldn't talk the talk. Our messages are often out of sync with the way average Americans think and make decisions. Our messages do not resonate. They do not inspire. In essence, we lost the election because we have lost control of the conversation. The Progressive's Pocketbook of Persuasion teaches Democrats how to control the conversation once again and in turn retake the political reins of our country. In ten informative chapters, addressing the most important aspects of persuasion in the political realm, The Progressive...

Reviews

It is an amazing publication which i actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

-- Garry Lind

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

-- Michel Halvorson
