# NEVER TOO LATE (PAPERBACK)

Clint and Shadore are high school sweethearts who break up when he gets a baseball contract and she leaves for Hollywood. When they meet again she is married to a mafia boss and he has married her best friend, Can Shadore get Clint back? Can she get her best friend back? Can she file bankruptcy and cover the medical expenses of her childhood best friend? This same mafia connection protects her when she is locked up in jail but it also prevents her from getting out on bail.

Can Freddy, the mafia son save Shadore's life and are her Native American cousins able to help her get out of the life she is held in? Will she be able to get Clint back at little price by a little favor?

Join Shadore in their escape as her powerful family helps and she meets and helps so many people, from Mike, the mentally disabled young man to Nona, a woman saved from the sex trade. We share with her the love she has for everyone she meets and proves that it is NEVER TOO LATE to find happiness.

"Not only is the book a romance and an adventure, but Fischel uses her writing to raise awareness of issues that are commonly ignored, such as human trafficking and the existence of sex slaves. This book I found very poignant and the issues due to his relatives do not stop that put an emphasis on the issues. This book was truly a treasure to read, and I give it my highest recommendation."
