Thames & Hudson. 1 Paperback(s), 2012. soft. Book Condition: New. The idea of the temple as a holy precinct, the meeting place of heaven and earth, is central to many of the world's religions, and this beautifully photographed book offers a wide-ranging study of sites of worship, from the tomb-temples of ancient Egypt to the temple of Hephaistos in Athens, the Kaabah in Mecca, and the White Dagoba stupa in Beijing. The book considers the many forms of temples, how their geometries reflect what is sacred to their users, and how they instill a sense of holy presence to those who use them. 128.
