Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

His mind is wandering back to a trip he and his wife had made to Israel two years previously when sleep finally comes. He awakes at the oar of a first century slave ship off the coast of Caesarea. After a lashing and violent confrontation with the ship's company he is able to escape by jumping overboard. In the rapidly approaching darkness he finds himself treading in salt water, unable to see a shoreline and the ship slipping from view. The backpack, which had been left next to his bed, was looped over his arm as he left the ship now helps him to stay afloat.
