

Complete Handbook of Home Extensions

By -

IMM Lifestyle Books. Electronic book text. Book Condition: new. BRAND NEW, Complete Handbook of Home Extensions, Written by a qualified Building Control Officer with over thirty years' experience in the industry, the book talks you through the entire home-extension process from conception to decorating. It offers advice on substructure, superstructure, internal and external work, as well as site inspection, drainage and restrictive covenants. There is also a handy section on finance, insurance and warranty schemes. Common problems are helpfully identified, enabling you to begin building with confidence. Save time and stress by using the included standard specification for a single storey extension, new to this fourth edition.

Reviews

It becomes an amazing pdf that I actually have ever go through. This is for those who statte that there had not been a worth reading through. You will like how the author create this pdf.

-- Prof. Lonie Roob

It is great and fantastic. It can be writer in easy phrases and never hard to understand. You will not really feel monotony at at any time of your respective time (that's what catalogues are for concerning if you request me).

-- Michel Halvorson
